There is the famous Budweiser beer. We know of no brand produced
by any other brewer which costs so much to brew and yet our
exclusive floorboard Aping produces a look, a smoothness
and a drinkability you will find in no other beer of any price.

Peaceful Coexistence

That's why an aggressive, incisive newspaper continues to grow at Bryn Mawr and Haverford Colleges. President Coleman can smile when an irreverent long-hair gets his high honors in biology. And the alumni associations of each college send subscription blanks for an often abrasive NEWS to all alumni. They get their money's worth: 16 pages a week.
